**Route:** Brasov - Darjiu - Mugeni - Sighisoara - Rupea - Brasov

Begin your tour by meeting your guide in the centre of Brasov who will drive you with a car or minivan for 1.5h. During the journey we can enjoy little Transylvanian villages and scenic landscapes. Discover the Szekely Land (Szekler-Land) which is a historic and ethnographic area in Transylvania, Romania, inhabited mainly by Hungarians. Your Guide will introduce you into the fascinating and colourful history of Transylvania.

As soon as we arrive to Darjiu a wonderful Unitarian fortified church reveals itself to us. The church goes back to the XIV-century and belongs to Unesco Heritage Sites since 1999, hides unique frescos about the famous legend of Saint Ladislau-Protector of Transylvania. The frescoes inside the church are considered the most impressive creations from medieval Transylvania. Apart from the frescos and the beautiful church there are the majestic defensive walls and bastions what we can explore. The church, together with the surrounding village, is one of the villages with fortified churches in Transylvania, belonging to Unesco World Heritage Sites.

The next stop will be in Mugeni which is a larger village in Harghita County, Romania. It lies in the Szekely Land (Szekler Land), an ethnocultural region in eastern Transylvania. Here we can discover one of the most important medieval church of the Szekler area of Transylvania built in the XIII-XIV-centuries. The mural paintings of this church are the best preserved. Besides Saint Ladislau's legend we can discover the murals of Saint Margaret and scenes from the Last Judgement.

Before driving back to Brasov we will visit the only city in Romania which looks exactly the same way as in the XVIth century - Sighisoara, so rich in history that the entire citadel is a Unesco site. Hear about the medieval town's legendary former resident Vlad the Impaler, a Wallachian prince and warlord who inspired Bram Stoker's fictional character Dracula.
