Description:

Discover Bran Castle and Saxon fortifications in a small-group day tour from Brasov.

In the 12th century the German Saxons arrived in Transylvania playing a major role in the development of powerful strongholds and fortresses throughout the region. The influence of the Saxons of Transylvania, also known Sasi, heavily increase the regions economy and began a cultural evolution. The spirit of the Saxons can still be seen today in such medieval towns as Brasov, Sibiu, Sighisoara, Medias and Sebes. But the most impressive mark left by this culture are the Fortified Churches scattered through out the region.

On this day tour from Brasov our English-Speaking guide will take you to visit Bran Castle - also known as 'Dracula's Castle' - a hilltop estate that conjures up visions of howling wolves and bats fluttering in the moonlight and two Saxon Church Fortresses - Harman and Prejmer (UNESCO World Heritage Site).
